

WebEx Global Assist

No hassle. Sure to impress.

High-touch, expert human services help you maximize the ROI of your online meetings, sales calls, and training sessions.

Count on expert meeting production and content delivery assistance to ensure you receive the most from your WebEx investment.

WebEx Global Assist Services employ proven methodologies, expert producers and best practices developed from real-world experience to provide real-time assistance and support.

- Experience the benefits of 30 minutes of pre-meeting host support and live assistance throughout the entire meeting.
- Take your classroom experience online, quickly and effectively.
- Execute and produce online meetings, sales calls, and training sessions seamlessly and successfully.

“Everyone I’ve dealt with at WebEx has been top-notch.”

— Vijay Tummula, Director of Product Marketing, NDCHealth
